

ANSYS Multiphysics Option 1, 2 & 3 Upgrade Offer

Should you currently be running ANSYS Multiphysics Option 1,2 or 3 **IDAC** are offering the chance to Upgrade to the full ANSYS Multiphysics, ANSYS Mechanical/Emag or ANSYS Mechanical/CFD-Flo at a discounted price!

Trade in a paid-up ANSYS Multiphysics Option 1, 2 or 3 licence for one of the following products:

- ANSYS Multiphysics
- ANSYS Mechanical/Emag
- ANSYS Mechanical/CFD-Flo

and you will receive a **25% discount plus the cost of your existing licence off the list price!**

For example, a customer upgrading from ANSYS Multiphysics Option 1 to ANSYS Multiphysics the upgrade fee would be calculated as follows:

$75\% (\text{ANSYS Multiphysics Paid-Up List Price}) - (\text{ANSYS Multiphysics Option 1 Paid-Up List Price}) = \text{Paid-Up Upgrade Fee}$

You will also be required to pay the difference in TECS between the two products for the remaining duration of the annual TECS period.
